### Introduction

Parts III and IV of the Kendal Parish Register were published in 1952 and 1960 respectively, but without indexes. That fault is now remedied.

In order to save space, the indexer has abbreviated Christian Names according to the list on page 1. He has indexed Annes with Ann, Helen with Ellen, Marie with Mary, Sicill with Cicely, but has not attempted to expand Jo which occurs frequently as both a male and a female name. The female John has been included with John although Joan is probably intended.

The original register has been consulted where errors in the printed text were suspected and list of the genuine errors is given below [in an "Errata" section].

The indexer is indebted to the Rector and the Verger of Kendal for providing access to the register at Kendal; he is also grateful to Mr. R.N. Birley, M.A. (the transcriber of Parts III and IV) for his assistance in arranging this access.
